STRENGTH OF THE HONEY BEE.

One girl may have as many as from seven to tiffeen woors, who court and first with her for a whole year in sight of her parents. They not only visit her in the daytime, but remain at hight near her dwelling to mount guard outside her room, going as far even as to keep watch within her room in order to be at hor service in case she should awake.

To she asks for water, as many callibrates of water are offered to her asther are lovers in attendance. Should the whole of her lovers offer to carry any people when are palibratin, and again it is the sign as a people when are palibratin, and again it is the sign and provided to the whole of her lovers offer to carry her palibratin, and again it is the sign and palibrates to her hand who undertake to appear the shell of a common mussel. And there is a sort of carry hard palibratin, and again it is the sign and the whole of her lovers offer to carry her palibratin to her hand who undertake are the same that the mid of which period the sector and same that it is the sign man and the sector of the strength of the fellower with another girl.

What the case was about no one seemed to know exactly. The lawyers themselves were pretty well mixed up.

Then an important witness entered the box and was presently asked to tell the court the total of his gross income.

The refused, the counsel appealed to the total of the loads.

the judge.

You must answer the question.

Said the judge sternly.

Josund but Refined.

And did he?" Yes, he hadn't been there a month before a cyclone struck the place,

As Ordered.

"Prosperity has ruined many a man," declared the moralizer, "Well," rejoined the demoralizer,

said the judge sternly.

The witness fidered about and then burst out with:

"But—but, your honor, I have no gross income. I'm a fisherman and it's all net."

A Quick Rise.

"What became of young Perkins"

"Oh he went out to one of those western boom towns intending to rise with the community "And did he?"

And did he?"

And did he?

Jocund but Refined.

"Both the business office and the editorial rooms of The Standard were largely and brilliantly represented, and the collation was interspersed with highly intelligent affabilities. Constant streams of sparkling repartee rippied across the table, jocund ameedotes and refined civilities of every variety abounded, the festivities in every way being characterized by vivality, snavty, cheatry, and irrepresentable respectability "—Anaconda" (Mont.) Standard.

### Right Sort of Ruin.

riggs According to directions. I "if I was going to be ruined at all I'd prefer prosperity to do it."

# Harlow's Third and Harlow's
